MEETING MINUTES – September 12, 2020

Sorry folks, I lost my notes, so very brief minutes on a quite brief meeting !

- + Open flying till about 11
 - We had at least 10 fliers present.

- + Meeting called @ 11 by president Kent Wien.
 - Next meeting is Oct 10, at the field

- + Treasurer's report: by Tom Eng
 - \$1380.30 (+\$500 escrow check not cashed), ,
 - Picnic, \$170+ out, \$80 collected at picnic, net ~\$90 cost to club.
 - Membership now at 38

- + New Business:
 - Bill Bolitho has arranged for a trial indoor meeting at a church hall in October.
 - We agreed that it should be a weekday so as not to displace our outdoor flying at the field.
 - Bill will arrange a date with the church and let us know.

- + Show & Tell
 - Yes, there must have been one, but you may just need to fire your club Secretary for neglect of duty and a geriatric memory

September Maiden Flights

- Kent Wien: E-Flite V-22 Osprey VTOL

It is worth noting, Kent performed his maiden flight after seeing another member crash their V22 at the field. Kent was not phased at all. Photo was taken after he successfully completed his maiden flight.

- John Knight: Twisted Hobbies, TH 39" EPP Edge 540 - V3 Series
Another successful maiden flight!
